LET'S BUILD SAFER GAMING
SPACES FOR YOUNG PEOPLE

Have Your Say: Addressing Issues in Gaming for Young People!

Are you a young gamer passionate about making a difference? Join us for an exciting new program aimed at bringing together young gamers to identify and co-design solutions to the pressing challenges in gaming today, particularly around hate, violence and discrimination. This is your chance to speak up and lead the change!

What You'll Gain

- **Be Heard:** Share your thoughts and help design solutions to the issues you see in gaming
- **Build Connections:** Meet like-minded gamers your age and expand your network
- **Compensation:** Receive \$250 - \$350 for your participation (amount depending on age)
- **Expand Your Knowledge:** Learn about the key issues in gaming and their impact on young people
- **Develop Skills:** Enhance your problem-solving and leadership abilities while tackling important topics in the gaming community

Eligibility

Location: Must live in NSW. Reside, work or study in one of the following council areas: Burwood Council, Strathfield Council or Inner-West Council

Age: 14-21 years old

Availability: Participate in several online workshops on Discord from September to December 2024 (approximately 10-14 hours total)

Commitment: Agree to participate in an evaluation after the workshops

Gamer: Actively engaged in gaming

Interest: Passionate about social justice and addressing gaming issues

Training Details

Workshops: Attend 3 online sessions with 10 other young gamers of your age, each lasting 1-3 hours, scheduled for end of September/October

Follow-Up Session: Implement solutions in November/December

Ongoing Feedback: Take part in our online community and share your thoughts between sessions through the discord chat before, during and after the sessions

Optional In-Person Event: Join us for a gathering at the end of the project

Total Commitment: Approximately 10-14 hours spread out over September to December, depending on your age group.

Don't miss out!
Let's influence the
future of gaming.
